VISION

NMCAA leads in strengthening our communities by empowering people to overcome barriers, build connections and improve their quality of life.

MISSION

Helping people by linking services, resources and opportunities.

LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends of NMCAA,

We are pleased to share with you the 2022 Northwest Michigan Community Action Agency Annual Report. It is a snapshot of community action at work in our region and just a slice of the work of the entire network of community action agencies across the nation; working together to improve lives, embody the spirit of hope, improve communities, and make America a better place to live, since 1964.

I hope when you read through the following pages you will be struck by the scope of programming offered, the number of lives touched, and the power of personal stories so graciously shared by those we serve. Our agency has experienced steady growth over the last few years, and we continue to add new programs in response to emerging community needs. We continually strive to understand and address the barriers that get in the way of economic stability for so many Americans, creating opportunities for affordable housing options, quality childcare, supports for seniors, food security, and financial independence.

This year we will complete a new strategic plan for NMCAA. We will look to our staff, Board members, volunteers, community partners, and those who use our services for their input and guidance in setting priorities for the coming

years. We know that no single person or organization can affect the change we want to see in our communities. It takes all of us working together. The talents and commitment of our staff, Board, volunteers, donors, and community partners is what makes real and sustainable change possible.

With deepest appreciation,

**KERRY BAUGHMAN, CCAP

LETTER FROM THE BOARD CHAIR

Greetings,

The Northwest Michigan Community Action Agency is an ecological organization. We are founded on and concerned with the interdependence of people and institutions.

Our numerous programs are funded and supported by individuals, governmental grants, private business and related societal organizations. When you read through our 2022 Annual Report take time to notice the connections and relationships between the contributors, staff and service recipients. We are only able to provide our offerings because of them; because of you.

Whether you contribute financially, need a home repair, are receiving Meals on Wheels, need help with paying a bill, are a volunteer tax preparer, are a Head Start Teacher or parent or serve with me on the Board of Directors, please know that you are an integral part of our Agency. We continue to grow because of all of you and in joining our hands to others we strengthen our human ecology.

In community,
Carolyn "Peachy" Rentenbach

FINANCIAL MANAGEMENT SERVICES

The Financial Management Services Department and Homeownership Center is recognized by NeighborWorks America to assist low to moderate income individuals and families to achieve their financial goals.

2,214 Households (HHs) received free income tax preparation totaling \$6,745,471 in credits and refunds

227 of those HHs received the MI Home Heating Credit which returned \$111,440 back into the community

57 customers received \$53,234 in deliverable fuel assistance

125 HHs received Homebuyer or Pre-purchase coaching with 12 becoming new homeowners

134 HHs attended Money Management and other Financial Education workshops

79 HHs facing foreclosure retained their home or transitioned to affordable housing

"Thanks to NMCAA and the IDA program, now both a small business and homeownership are on their way to becoming a reality for me - and prior to my participation in this program, I never dreamed either one would be possible for me!"

-Jody Wilson, IDA Graduate

SUPER SATURDAY 2022

This year's event was a drive-thru event at MIWorks parking lot in Traverse City. FMS collected tax returns, provided a free lunch donated by Jimmy John's, vendors delivered information about their organizations, and Traverse Health Clinic offered free vaccines. The team would like to thank our volunteers, vendors, and sponsors for participating in Super Saturday. Even with the cold temperatures, the team was in great spirits and happily served over 103 households in the drive thru and completed over 100 tax returns totaling over \$100,000 in refunds.

HOMELESS PREVENTION

The Homeless Prevention Team is committed to making homelessness rare, brief, and non-recurring in every community across our 10-county service region.

CLIENT TESTIMONY

Mike S. lost his housing due to personal conflict and ended up homeless in Grand Traverse County. With limited financial resources and a lack of housing opportunities, Mike found himself camping in the woods and eventually staying at the Goodwill Inn. While working with an outreach worker, he was able to find stable employment and began saving money. After months of staying in shelter, Mike was slotted for a housing program with NMCAA called Rapid Re-Housing. He was able to locate housing in Mancelona, MI. Less than a month of housing, Mike had enough money to buy a car and become self-sufficient. He has created a plan with his case manager to work towards paying 100% of his rent and plans to exit the program within the next 6 months. Mike states, "Support from Goodwill and NMCAA has put me on a successful path, and I am so grateful for the opportunity. I am looking forward to what my future has in store for me."

The U.S. Department of Veterans Affairs (VA) Supportive Services for Veteran Families (SSVF) program provides services across a 23-county region in Northwest Michigan that include: Coordinated Entry, Rapid Resolution/Housing Crisis Response, Street Outreach, Case Management, Housing Resources & Healthcare Navigation, Connection to VA & public benefits, programs, & mainstream community resources, & Temporary Financial Assistance (TFA) through Rapid Re-Housing & Homeless Prevention Assistance programs. The core purpose of these programs and services is to assist eligible Veterans & their families in maintaining or acquiring safe, affordable housing, becoming integrated socially & economically into their communities, & accessing the necessary services and supports available to them. SSVF is designed to rapidly re-house homeless Veteran families & prevent homelessness for those at imminent risk due to a housing crisis.

HOUSING & ENERGY EFFICIENCY SERVICES

WEATHERIZATION

The Weatherization Assistance Program uses Federal and State funds to reduce energy costs for low-income households, prioritizing the elderly, people with disabilities, and children, through improving the energy efficiency of homes, while ensuring health & safety.

82	Households (HHs) received Weatherization Services, including:		
45	Elderly Occupied	42	Disabled Occupied
65	Single Family Homes	15	Mobile Homes
27	Refrigerator Replacements	14	Water Heater Replacements
21	HHs received assistance to become Weatherization-Ready		
		24	with Children Under 18
		1	Rental Home
		20	Furnace Replacements

"I want to thank you and everyone involved with the assistance you provided for my home! I'm grateful beyond words and truly appreciate what you and all of the workers have done for me. It is life changing! You are all awesome!" – Meredith L.

HOME REPAIR

103 Households received home repairs, including

61 Elderly Occupied

51 Disabled Occupied

32 with Children Under 18

40 Water Related Repairs

49 Energy Efficiency Improvements

84 Households with Improved Health & Safety

Homeowners who are faced with an emergency repair may be assisted by NMCAA's Home Repair Program. County-allocated funds are used to assist residents through this program using grants or 0% interest loans in order to correct the deficiencies or prevent future damage to their home.

In FY22, NMCAA had additional State funding through the Social Determinants of Health (SDOH) Water & Plumbing Repairs grant to address households' lack of access to hot & cold water and to ensure the homes served had at least one functioning toilet, bathroom faucet, shower/bath, kitchen faucet, as well as functioning waste water drainage for water access to be sustainable.

CLIENT TESTIMONY

"Our family could never have afforded the new septic system on our own. Really not sure how we would have managed much longer, even with limiting showers and doing laundry at my parent's house. We are so grateful. Keep doing what you're doing to assist people."

MEALS ON WHEELS

Serving Grand Traverse, Leelanau, Wexford and Missaukee counties

Improving the health and quality of life of homebound seniors by delivering vital nutrition, compassionate visits, and safety checks so seniors can live nourished lives with independence and dignity.

MEET GLENN M.

97-year-old Meals on Wheels recipient, says that his life is a lot better because of Meals on Wheels. "It helps me a lot. I am getting more balanced meals and a good variety of meals. It saves me a lot of time". Meals on Wheels helps Glenn stay healthy, so that he can get back to what he loves – his family of 16 grand/greatgrandchildren.

MEET JOYCE L.

Joyce L. says that Meals on Wheels provides her with good food, but what she appreciates even more are the great people she meets. She can fondly recount each of the Meals on Wheels drivers she's met over the years. Joyce says that with Meals on Wheels you are "dealing with people you trust completely" and she can feel that we really care about the clients, providing "more than just a meal" for vulnerable local seniors.

The Northwest Michigan Community Action Agency Head Start Philosophy:
The Head Start Approach to School Readiness means that children are ready for school, families are ready to support their children's learning, and schools are ready for children. We believe that children need strong families in order to develop into mature adults who are productive members of society.

During the 2021-2022 program year, 83% of Early Head Start enrolled families and 96% of Head Start enrolled families were connected to a service promoting positive family outcomes.

PARENT TESTIMONY

This program definitely helps with parenting to how to approach situations differently. Absolutely loved this program! Would love to see it continue. Teachers were wonderful with communicating and with the kids!

I believe the impact that the teachers alone had on myself and my daughter will be lifelong. My daughter absolutely loved being able to have the interaction with other children, being able to learn new things, make art projects and things like planting a sunflower. She really enjoyed her introduction to school through this preschool.
